SUMMARY:

I'm a passionate Cybersecurity professional with a completed Advanced Diploma in Cyber Security and Ethical Hacking with AI. Skilled in Kali Linux, Burp Suite, Nmap, and manual security testing, I aim to develop innovative security solutions and address emerging cybersecurity challenges.

EXPERIENCE:

Cyber Octet 03/2026 – 08/2026

- Performed vulnerability assessment and basic penetration testing.
- Used security tools such as Kali Linux, Burp Suite, and Nmap.
- Assisted in analyzing and documenting security findings.
- Gained practical experience in web application security and ethical hacking

EDUCATION:

Advanced Diploma in Cybersecurity and Ethical Hacking with A.I. 2025 – 2026
CYBER OCTET PVT. LTD. AHMEDABAD

Bachelor of Computer Application 2025
SANSKAR INSTITUTE OF MANAGEMENT&I.T BHUJ

Class 12th - Commerce Stream 2022
MAA ASHPURA ENGLISH MEDIUM SCHOOL BHUJ

Class 10th 2020
MAA ASHPURA ENGLISH MEDIUM SCHOOL BHUJ

SKILLS:

- Web Application Security
- Vulnerability Assessment
- Penetration Testing Fundamentals
- OWASP Top 10 Awareness
- Reconnaissance & Enumeration
- Basic Network Security
- Problem-Solving

LANGUAGES KNOWN:

English
Hindi
Gujarati

PROJECTS

Cryptonix - Encryption & Decryption Tool

- Developed a tool for secure data encryption and decryption
- Implemented cryptographic algorithms such as AES, DES, and RSA
- Focused on data confidentiality and secure communication
- Gained hands-on experience in practical cryptography implementation

CORE STRENGTHS:

- Problem Solving
- Persistence & Discipline
- Good Communication
- Self-Learner
- Research & Analysis
